TCRM Closed Aug 2 for Photo Shoot

by **Terry Bebout**

We have several photo shoots each year at TCRM that generate a decent amount of revenue. We have a company that is planning on doing such a shoot on Thursday, August 2, for the entire day. The talent and photo company that are doing the shoot have asked that we close TCRM for the day and they are willing to pay a substantial fee for us doing so.

We have agreed to this, so TCRM, including the hobby shop, will be closed for one day only on Thursday, August 2, to all visitors and non-essential TCRM members. We will have admin staff on site to answer the phones and TCRM members to staff the shoot who have already been selected. The one day of TCRM being closed will be posted on the Web site and also on the gate the day of the event. Please plan around this day if you need to visit the hobby shop or conduct other Museum business or visits. Thanks in advance for your cooperation.

Sick Call – Dave Miller

by **Dave Miller**

Text of an E-mail from **Dave Miller** on July 27-
As you can see, (Dave sent along a digital photo in the E-mail msg) I'm in Critical Care at our local hospital in Gallatin. They have been great to me, saved my life as far as I'm concerned. I

have been here since Wednesday afternoon, my lungs filled up with fluid, so I couldn't breath.

It was a rough ride in the ambulance. When the ER crew got hold of me, they cut my clothes off with scissors. Ruined my best shirt and jeans!

I finally made out of bed and into a chair. Took me 15 mins with help, I'm so weak. Hopefully I'm on the mend. It's been scary, but for some reason God wants me to stay around. Please hold emails. This took me 1/2 hour to type.

His mailing address is 223 Wildcat Run in Gallatin TN 37066
