The program for our March meeting will be *Narrow Gauge Trains*, written and produced by TCRM member **Brian McDonnell**. The weekday excursion train work crew, otherwise known as **Brown's Boyz**, continues fixing what's broke-tore up-wore out or missing in or on the excursion trainset. Changing out light bulbs, cleaning ductwork, replacing air filters, rebuilding car windows, changing out emergency windows, plumbing repair & trying to stop roof leaks are never-ending tasks. Many kudos to **Ted Brown** for leading the current effort to fix some of these items. Our passengers & car hosts hopefully will appreciate it.

## Hobby Shop Needs Volunteers

By Fred Enters

HELP WANTED to assist opening the TCRM Hobby Shop. It is easy and just 4 hours a month fills a need. All you have to do is learn the cash/credit card sales system. No inventory duties, just open the door, smile, assist customers, and close the shop. It is a good way to meet members and interact with the many visitors to our Museum and city. If interested, please contact **Fred Enters**, entersf@charter.net Thanks
