HO RR Going to 2019 TN State Fair

By **Bob Hultman**

We have received an E-mail from **Scott Jones**, TSF general manager, stating they want us to return to the Fair for 2019. We're still awaiting notification from **Scott** regarding bldg venue & floor area available for the RR. We need at least 14' x 34', not including aiseways & pipe-drape space, for the RR. Hope to get that information very soon from them. In the meantime, we will be deploying modules to make sure they're ready for the setup.

No Thursday Night Meeting for July 2019

Typical setup time starts early Tues (day after Labor Day holiday) with the RR needing to be operational by 5 pm Central Time Friday Sep 6. Fair dates for 2019 are Sep 6 thru 15. Further information will be coming regarding volunteer parking, volunteer admissions passes, & hours of operation for each of the 10 days. E-mail Bob Hultman hultman@bellsouth.net or call 615-833-5158 landline or my cell 615-513-7187 if you will help with setup, hauling, operating the RR and takedown-hauling home.

TCRM Beautification Committee Report

By Susan Thomas

You can see how our garden area is thriving - but the garden needs regular care and watering particularly in these hot hazy humid days of August - if you would like to help out when you down at TCRM by watering the plants for us, grab the watering cans from under the wagons (aka yellow tie cars), fill from the standpipe and please water plants in the cinder blocks as well as in the pots!

Ken Fagin has done a wonderful job improving the Dock area. He has changed the paint color from an industrial grey to a much more pleasing burgundy, one of the TC Ry colors.

Brenton Jones is working on readying artifacts for the garden area that will be of interest to our patrons. He already has placed a signal there, he is working on a big TC sign as a backdrop and a mileage post sign so that patrons will enjoy taking photos as a memory of their great day with TCRM. We welcome members' suggestions and participation with our TCRM beautification committee efforts.
